Remarks:

1. This curriculum is applied to students admitted in Academic Year 2015.

2. Credit hours of each course (or total) are marked with “credit/hour.”
3. The minimal credit number for graduation is 72, including 8 credits of university required common courses, 24 credits of department required professional courses, at least 40 credits of department elective professional courses. (Students may have a maximum of 10 credits from courses offered by other departments or not offered by Center of General Education.)
4. Courses of inter-disciplinary programs offered by other departments may be regarded as elective professional courses of the department.
5. Courses in the category of history and law may be exempted with General Education Core IV or V of four-year daytime programs or with courses of the history category or law category offered in Division of Continuing and Extension Education.
6. Elective Military Education course credits are not counted to meet graduation requirements.
7. Students of Division of Continuing and Extension Education are not required to take Physical Education courses.
8. Elective courses: the courses listed in the table are planned courses, which will be offered based on practical needs.
 9. For other instruction on course selection, students must follow “Division of Continuing and Extension Education Course Selection Guidelines.”
