**I. Remarks:**

1. This curriculum is applied to students admitted in Academic Year 2015.
2. Credit hours of each course (or total) are marked with "credit/hour."
3. Courses of inter-disciplinary programs offered by other departments shall be regarded as elective professional courses of the department.
4. Elective courses: the courses listed in the table are planned courses, which will be offered based on practical needs.
5. For other instruction on course selection, students must follow "Course Selection Guidelines" of the University.

**II. Requirement for graduation:**

1. The minimal credit number for graduation is 72: (1) 8 credits of University required common courses (2)16 credits of department required professional courses (3) at least 48 credits of department elective professional courses (A maximum of 72 credits of from elective professional courses offered by other departments will be recognized.)
2. General Education courses can be exempted with General Education Core I, II, and III; the courses of history and law category can be exempted with General Education Core IV or V of four-year programs.
3. Physical Education is a required course in the first year. The credits are not counted to meet graduation requirements. Students who fail in the course are not allowed to graduate.
4. Practicum outside the campus is a University required course and shall be handled in accordance with “National Kaohsiung University of Applied Sciences Regulations Governing Students' Practicum outside the Campus.”
